

## Student Locker Use Agreement

All students may be issued a locker to rent during the school year. At the end of the year the locker must be cleaned out and inspected by a staff member.

The following policy has been created to maintain order and safety in and around the school. Students are expected to read the terms of this policy and to sign the bottom indicating that they understand and accept each of the terms below:

- Each student agrees that the principal or designate may search his/her locker at any time without any notice to the student.
- All items found in a locker will be considered the property of the student to whom the locker is assigned.
- Students will not under any circumstances share their locker with another student.
- Students will store valuables and any unneeded items in their locker during class time.

I \_\_\_\_\_ (Name of student) have read and understand the above terms and fully agree to each.
