

Ama ganlaak, Good morning Parkside families and students,

There are no classes for students and staff this week due to the Spring Break holiday March 16-27, 2020. On behalf of the Parkside staff, I hope students and families are able to have a relaxing holiday. Below is information for your reference.

COVID Update: On Friday March 13, 2020 Parkside students received a handout regarding the COVID-19 global pandemic from the Deputy Minister of Education. I have attached a copy for your reference along with a message from Janet Meyer, our school district's Acting Superintendent, and answers to ten common questions about COVID-19 for parents and kids from the Office of the Provincial Health Officer.

Twitter Updates: Any families wanting information about their child's education during the recent COVID-19 pandemic can access the school district's website at cmsd.bc.ca or use twitter to receive updates **@CoastMtnSD**
