

Ama sah, Good afternoon Parkside students and families,

I hope you have been able to have a safe summer facing the challenges of living in pandemic conditions. I know you are probably wondering what will school look like for students in September. I have attached two documents that explain the safety measures that will exist at our school. This safety plan could be revised if conditions change or new ideas are added, but for now we have a roadmap to guide us on our learning journey. If you have any questions or concerns about the Parkside safety plan, please contact by replying to this email or phoning me (250-641-2170) and I will respond as soon as possible.

On September 8 and September 9 Parkside staff will be at school receiving safety training and preparing for the new school year. On September 10<sup>th</sup> families will be contacted to schedule an orientation meeting with their child's homeroom teacher. These meetings will take place at Parkside from September 10-18.

**The first day of regular classes for students will be Monday September 21<sup>st</sup>. I have attached a school supplies list for your reference.**

***If you have decided not to register your child at Parkside, please let me know by replying to this email or phoning me (250-641-2170) so a new student can attend our school.***

Take care and be safe.

***Jane Arbuckle***
