

# **INTRODUCING: COLBY CAMERON**

## **Integrated Child & Youth Clinical Counsellor (ICY-CC)**

---

**My name is Colby Cameron, and I am proud to be School District 82's very first integrated child & youth clinical counsellor. The purpose of my position is to support vulnerable youths who reside within SD82's jurisdiction (Terrace/Kitimat). I began my professional counselling career in 2020, before which I worked in trades and service management. When I'm not working in the schools, you can find me lifting weights at our local gym, or riding trails on my old horse Tucker. I am a primarily a person-centered counsellor, which essentially means that I develop and use safe and trusting relationships as vehicles towards positive change. I look forward to meeting you all!**

**Colby Cameron, RCC, MACP, ICY-CC.**
